Library Mission
At the Alamo Heights Junior School, our mission is to work collaboratively to support the academic and recreational needs of our students and staff. We encourage and support the love of reading by building and maintaining a collection of resources that appeal to a wide range of interests.

Finding a Book in the Library
The books in the library are organized by genre. The genre stickers can help students find what they want to read for pleasure more easily. Arranging books by genre can provide a scaffold in the selection process allowing students to identify and articulate their own reading preferences and find "read-alike" books.

Library Computers
There are desktop computers in the library available for student use. Students can access the computers for academic use before school, during lunch, and after school during study hall. The computers are connected to a printer. There is no charge for black and white printing. Color printing is $1.00 per page.

Lunch Passes
Lunch passes are available during the lunch periods Monday-Thursday, unless the library is closed for meetings or special events. Students are to pick up a pass before going to lunch. After they finish eating and are excused for recess, they may come to the library to study, work on classwork and/or read.
Students can access the library catalog, Follett Destiny, on the Junior School Library webpage. To log into Destiny Discover students need to enter their 6 digit AHISD student ID number for both the username and password.

Using the library catalog, students can:
- Search for a book
- Renew their book
- Read an eBook
- Listen to an Audiobook

Click on the following link to watch a tutorial from Follett.

Library Check-Out Policies

Each student is allowed to check-out 3 books for up to 3 weeks. Students are allowed to renew their book if they do not finish it within the first 3 weeks.

Library fines are assessed for late materials. The fines are 10 cents per day per book, with a cap of $5.00 per book. A replacement fee will be charged for a lost or damaged book.

Students with overdue books will not be allowed to check-out new books until their books are returned.
